

SOIL HEALTH

BUBBLING BREWS & ORGANIC SPRAYS

Saturday 10 November 2018, 9.00 - 10.30am

Come join us for an informal talk on soil microbial brews and organic homemade sprays for plant pests and diseases.

The Soil Crew from Country Noosa are back again through popular demand!

Nina Saxton (Banyan View Farm) and Dave Clark (Permaculture Guru) will be demonstrating how to set up your own brew kit to add health and vigour to your soils. They will also show how easy it is to make your own remedies for the pests and diseases that are the bane of home gardeners and growers alike!

Morning tea available for purchase at the store.

A morning of discussions at the Kandanga Farmstore. Visit and browse their shop specialising in organic products for gardens.

This will be followed by morning tea that can be purchased from the Kandanga Kitchen. These guys are awesome and they use local fresh produce grown by local farmers.

About the Presenters

Nina and Dave have many years of personal study and practical application of soil improvement and compost making techniques.

Look forward to meeting you!
